

[MTECH] Student Portal and Canvas missing from Hamburger Menu

+ Add

Description

When in Hamburger Menu on MTech site, there is no access to the Student Portal or Canvas, like in the full browser mode experience(see attachment).

Replication Steps

1. Go to mtec.edu on phone or using a browser
2. On the right-hand side of the browser, click and resize browser to the left until hamburger menu appears (see attachment)

3. Click on hamburger menu

Expected Behavior

1. Home page appears
2. Mode that shows the hamburger menu on the right-hand side
3. Opens list of options to navigate the site including the student portal and canvas

Actual Behavior

3. When opening the hamburger menu there is no option to access the Student Portal and Canvas
